Minors need permission from the person(s) who exercise(s) authority over the minor in order to obtain a passport. This will be both parents in many cases. Permission for obtaining a Dutch identity card is only required for minors up to 11 years old. Minors from the age of 12 do not need permission for a Dutch identity card. The completed and signed declaration must be accompanied by a valid passport, a valid Dutch identity card or a valid driver's license of the person(s) giving written permission.
